Wood Carving Show Judging Information

We have had many questions about the show's competition classes and judging. We hope this answers many of your questions and encourages you to come out and enter the show.

We have **four competition levels** based on your experience:

- Junior - Carvers age 18 and under. These are young carvers that are just starting out.
- Intermediate - These carvers are from beginner to experienced carvers who have not sold carvings, have not won "Best in Show". These carvers typically have beginning to moderate carving skills. Most carvers fall into this category.
- Instructor assisted - These are carvings that were done with the assistance with instructors via a class or very close mentoring.
- Open - These carvers are very experienced. Often they have sold carvings, won significant blue ribbons or "Best in Show" or teaches classes on carvings.

The judges may elevate a carving up a level if the skill level in the carving or carver warrants. You may enter at more than one level. If you have just started a new technique or carving method, you may be a beginner, or if you want to test your skills, and enter the higher levels.

There are **eleven categories** for each class:

- * abstract
- * chip
- * utility
- * wildlife – fur
- * caricature
- * miscellaneous
- * wildlife – fin
- * wood burning
- * carving in round
- * relief
- * wildlife – feather

The judges use the following **judging criteria** to compare the works. All of the criteria are rated on a scale of 1 to 5 with 1 being the lowest, and 5 being the highest. The highest score in each category wins. The highest possible points for a carving is 30.

1. Correctness of Form and Anatomy
2. Details – correct and amount
3. Technical Difficulty
4. Finish Quality
5. Creativity
6. Overall Artistic Impression

We encourage you to push your skills and put them up at the show. The only way to truly improve your skills is to push them. It will make you better. You have made some incredible works, let's show them off.

We are also privileged to be requested by the museum each year to put up some displays to show during the month of June. We can show your work in the museum in display cases as part of a display of the CWCA. Please consider bringing some pieces to be displayed or leave your submittals in the show for a couple of weeks to allow the public to enjoy your great pieces of art.
