

## My Fellow Woodcarvers,

First of all -Thank you to all the members who showed up and supported our club demonstrating at the Wood Show in Springfield. We continue to be a big draw for the young and old visitors. We generate a lot of interest in woodcarving from- teachers who want to bring students to our meetings, other clubs that share our goal to promote woodcarving, and new prospective members. We will have a table at the Saratoga NY Wood Show if you want to display carvings.

Remember to pick up our new CWCA flyers and distribute them.

-Make sure your carvings are ready for the March show!

Leo .... Mr. President

A few examples of the cotton bags Linda Syphers will be demonstrating pyrography with at the February meeting.

The bags are 18" wide x 12" deep and will cost \$3.00 each. Feel free to bring your own idea or picture, Linda will help arrange it on your bag. If you plan to participate please bring your **wood burner & extension cord**. If you plan to bring your own bag make sure it is 100% cotton and IRON it first- and you can bring wood to pyrography or other projects to work on.

Our CWCA Show is only 55 days away! A short time to prepare for the BEST Show ever!

We are looking for volunteers to help with the organization & planning of this event.

Someone to wrangle woodcarving clubs and groups.

Someone to manage publicity to build general attendance.

Someone to coordinate trainings & demonstrations.

We need you the members of this club to volunteer & contribute your ideas for making a successful CWCA Show !
